Take control of the television channels with powerful digital receivers from Triax

- and let your TV prove itself with hundreds of channels while you relax and enjoy the well-trimmed screen pictures

TRIAX - your ultimate connection

We are sure you have your own reasons for choosing a powerful receiver box from Triax, but remember that every time you choose Triax, you send a clear signal to your TV...

Good stuff

This is in fact the brief description of your new powerful receiver box from Triax. And we are confident that you will be enthusiastic about it, if you bear just the slightest resemblance to thousands of other satisfied Triax customers.

At the same time we guarantee that your new receiver box is a safe investment. For almost 60 years Triax has delivered first-class aerals and perfect signals to customers all over the world.

And we intend to continue to do so.
